Dear All

It has been communicated to my office that few faculty members have not yet submitted details of their publications, book chapters, projects undertaken, travel grant received (if any) etc. IQAC has sent several mails, whatsapp messages, letters. Despite repeated reminders, if any faculty member is not submitting the required information, please convey to him/her that all the information is to be submitted latest by September 09, 2024 3.00 pm. Otherwise, for CAS purpose, their publications, book chapters, projects etc. will be considered in the post date September 10, 2024 only.

Yours truly

  
(Prof. Alpana Kateja)
